

## Poročila za javnost – poročila, skladna s sklepi Kjotskega protokola / *UNFCCC reports*

### *Publicly available information of the Parties to the Kyoto Protocol pursuant to the decision 13/CMP.1*

*determines which data have to be published under the Kyoto Protocol. These data include for example a list of the accounts in the registry and non confidential information on account holdings and transactions. Information that is confidential according to EU Regulation 389/2013/EU is not published*

44. V skladu s Sklepi Kjotskega protokola CMP/13.1 mora vsak register države objaviti nezaupne informacije, ki so dosegljive na spletu.  
*According to Kyoto protocol decision and EC legislation each registry shall make non-confidential information publicly available and provide a publicly accessible user interface through the internet.*

45. Informacije o vseh računih v Slovenskem registru:  
*Reports on accounts in the Slovenian Kyoto Registry*
